

St. John's REALM

- Realm is more than just a database with names, addresses and photos for a directory. It is an online community where people can send and receive information. It is easy and it is such a convenient way to know what is going on at St. John's at all times.
- Realm will allow you to manage your own profile.
- Realm will help you stay up to date on the small groups that you are a part of: Altar Guild, Flower Guild, Book Group, Adult Forum, Outreach, Choir, etc.
- Realm will be used to announce events and provide a central location for sign-ups.
- Realm is available online anywhere there is a computer. It is also available through the "On Realm" app. Yes, it is literally at your fingertips anywhere you are.
